Cleaning Instructions

How to Clean the Nozzles and Filter assembly:

Any debris or mineral build-up may cause the flow stream to become distorted or reduce the flowrate.

To remove the debris or mineral build-up:

Run water through the handheld shower, and then press and rub the rubber water nozzles firmly.

How to Clean the Shower Body:

- Keep the product clean with clean water or mild liquid detergent regularly.
- Rinse it with clean water or mild liquid, and then dry it with soft cloth.
- Do not use acid or abrasive detergents.
- Do not clean the product with hard materials, for example, steel wool, scourer, etc.

MOEN LIMITED WARRANTY

We offer limited warranty and lifetime maintenance for Moen products, which are all manufactured with high standards of workmanship.

The period of warranty shall start from the date of purchase of the product (according to the invoice or receipt issued by Moen distributors) and shall cover a period of the following: the warranty period for shower is 1 year.

This warranty is your coverage against material and workmanship malfunction or defects in Moen products or components. During the warranty period, we offer free maintenance and changing of malfunctioned products or product components. Moen's after sales service liability is limited to the maintenance of faulty items and does not cover your other losses caused by product malfunction, except for other wise stipulated by law.

Cosmetic damages (scratches, dents, etc.) and malfunction or defects caused by abuse or improper maintenance is not covered by this warranty. Although the warranty period remains valid, in case of the following conditions (1) - (5), the maintenance cost (material cost and labor cost) shall still be charged as the case may be:

- 1.Corresponding warranty card and valid invoice cannot be presented;
- 2.Faults were caused by the incompliance with the instructions and precautions provided in the user's manual;

- 3.Damages and faults were caused by self-actuated dismantling, repair and refit;
 - 4.Faults and damages were caused by external factors such as force majeure;
 - 5.Damages were caused by transportation, unloading and extrusion, etc.
- This warranty is valid for the original consumers only (including hotel use), and excludes industrial and commercial use of the product (except for hotel use). This card is only responsible for product maintenance rather than any other liabilities.
- In the event that the product requires maintenance but exceeds the warranty period, or that the product is not covered by this warranty, labor cost and material cost shall be charged as the case may be.
- Please call 400-630-8866 or contact local dealer for any question.
